

Waterproof Aluminum Bulkhead

Feature

1. Long lifespan. Lifetime > 50000 Hrs.
2. SMD LED Chips, or E27 Base options
3. Epistar SMD LED Chips, 90lm/W.
4. Black/Grey/White housing options
5. Triac/0-10V/DALI Dimmable option.
6. Photocell switch available.
7. Warranty 3-5 Years optional.
8. Comply with CE RoHS.
9. AC110V 220V DC12V 24V 48V Input option.

Specification

Model	GR-WML-12W-Half	GR-WML-18W-Half	GR-WML-12W-Grille	GR-WML-18W-Grille	GR-WML-12W-Moon	GR-WML-18W-Moon
Power	12W	18W	12W	18W	12W	18W
Dimension	ø145*H86mm	ø275*H86mm	ø145*H86mm	ø275*H86mm	ø145*H86mm	ø275*H86mm
LED Chips Quantities	SMD OR E27 Base					
LED Chips brand	Epistar					
Lumens output	90lm/W					
Color temperature	3000K WW; 4000-4500K NW ; 6000-6500K CW; The yellow color such as 2000-2500K can be customized					
Input voltage	AC100-240VAC; The low voltage such as DC12V 24V 48V can be customized					
Driver	DONE Isolated driver, top quality					
Power factor	>0.6					
CRI	80%					
IP Grade	IP65 Waterproof					
Materials	Die-cast aluminum+PC cover. Black/grey/White housing optional					
Beam angle	120°					
Working temperature	-25°C ~ +50°C					
Working life	50000Hrs
